PALMERSTON ROAD UPGRADES

ROYSTONEA AVENUE - ASPHALT WORKS

Night asphalt works recommence Tuesday 23 August on Roystonea Avenue on the inbound and outbound lanes from The Boulevard intersection to the Tiger Brennan Drive overpass.

To allow for works, Roystonea Avenue will have lane closures with one lane operational at all times. The work is expected to continue for 2 weeks.

To minimise disruption to traffic, works will take place at night between 6pm to 6am.

Motorists may experience short delays while these improvements are underway. Please allow extra time or take an alternative route for travel.

Traffic management will be in place and motorists are asked to adhere to all signage in the area.

Queries can be directed to Department of Infrastructure's Project Director Civil Delivery Mr Arthur Busato on 8999 4499 or email civilprojects.doi@nt.gov.au

Authorised by David McHugh for Department of Infrastructure, Highway House, Palmerston Circuit, Palmerston NT 0830.
