

# McMillans Road and Mueller Road Intersection Upgrade

Dear stakeholder,

The Northern Territory Government has identified a need to upgrade the McMillans Road and Mueller Road intersection to improve safety for road users when entering and exiting Mueller Road.

The scope of works include:

- extension of left turn lane into Mueller Road
- re-configuration of traffic islands and verges
- re-alignment of pedestrian crossings within the median and verges
- installation of tactile ground surface indicators, road signage and hold rails
- asphalt and pavement marking works
- minor landscaping works
- relocation of Vocus service cabling.

Works will commence early-October 2020 and are expected to be completed late-November 2020.

Traffic management and detours will be in place to ensure a safe traffic environment for road users.

Motorists are asked to adhere to all signage in the area.

Please see map to view area of works.
