

Expressions of Interest – Development Consent Authority

Get on Board

Become a community member of the Development Consent Authority Board

Do you want to be part of the changing face of the Northern Territory? Are you passionate about development, design, architecture and planning? Expressions of interest for the Development Consent Authority Board are now open to Territorians who want a say as to how their town or city develops.

The appointments will commence on 12 April 2019 and will be for a two year period.

There are seven Divisions of the Authority – Darwin, Palmerston, Litchfield, Batchelor, Katherine, Tennant Creek and Alice Springs – of four members each who determine development applications within their respective Division area in accordance with the Planning Act and NT Planning Scheme.

In considering the expressions of interest for the positions, it will be taken into account the applicant's place of residence and demonstrated:

- expertise or special interest in town planning or related fields such as land administration, engineering, surveying, architectural design, land valuation;
- community interest;
- oral and written communication skills;
- ability to make sound and balanced judgements;
- knowledge of related subjects;
- commitment to continuing growth and development of the Territory consistent with good planning principles; and
- capacity to attend meetings of the Authority.
