

# Lee Point Road and Vanderlin Drive Roundabout night works

Dear stakeholder,

The Department of Infrastructure, Planning and Logistics is planning to rehabilitate Lee Point Road and Vanderlin Drive roundabout as part of the \$53 million dollar joint funding from the Australian Government and Northern Territory Government to deliver shovel-ready infrastructure projects and urgent road safety upgrades.

Night works to re-asphalt the Lee Point Road and Vanderlin Drive Roundabout will take place from Saturday 3 to Monday 5 October 2020.

To reduce disruptions for road users, work will occur at night on Saturday from 7pm to Sunday 6am, and on Sunday from 4pm to Monday 6am.

Traffic management will be in place to ensure a safe traffic environment for road users and motorists are asked to adhere to all signage in the area. The road will be partially closed to all traffic and detours will be in place.

To ensure you keep informed and receive up to date information as works progress, like and follow the RoadReport NT Facebook page.
