

John Stokes Square Redevelopment Update

Dear stakeholder,

The Northern Territory Government is redeveloping John Stokes Square and would like to update you on the project.

John Stokes Square Residential Development:

- All demolition and remediation works are now complete.
- A tender for the design of the residential units was awarded in November 2019.
- A construction tender is expected to be released in May 2020.

Nightcliff Police Station:

- A tender for the design and construction of the Nightcliff Police Station has been awarded to local contractor Halikos Construction.
- Contractors will commence works on site in February 2020.
- Construction completion due late-2020/ early-2021.

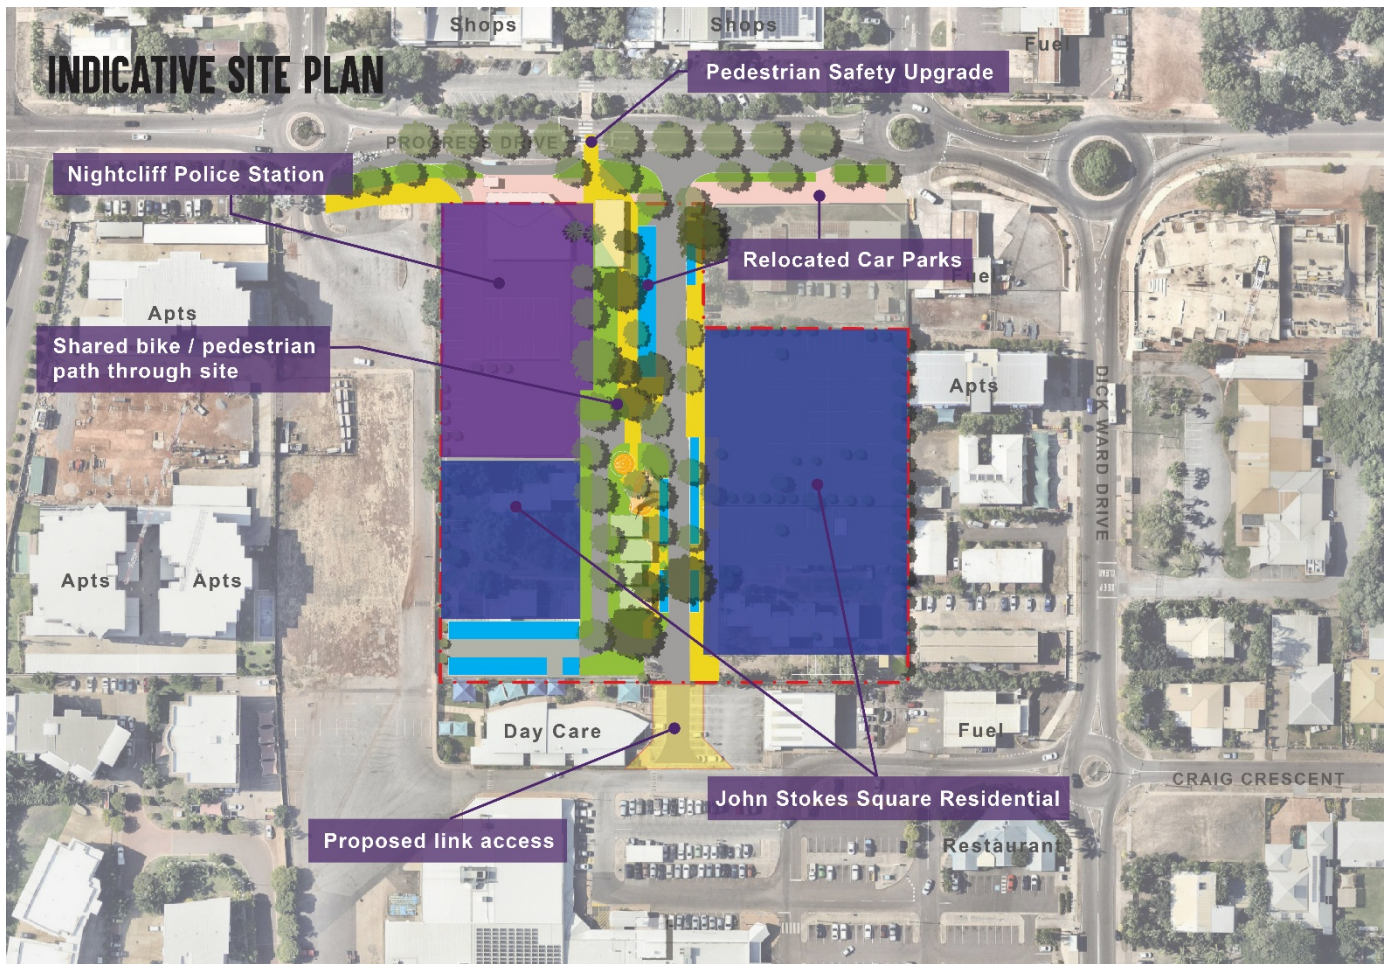

Headworks:

- Road upgrades will include modifications to Progress Drive and within the John Stokes Square redevelopment site, to ensure good road connectivity from within site to external road networks.
- Car parking will be relocated from Progress Drive with a significant increase in car park numbers.
- Construction tender release will be in early-March 2020.
- Site investigations are complete, including engineering inspections, geotechnical investigation and detailed site survey.
- Detailed design is advanced for roads, drainage and utility services (water, sewer and power).

Liaison with stakeholders including land owners, businesses and residents will be ongoing throughout the design process and during construction.

For any queries or further information about the project, please email feedback@truenorthcomm.com.au or call the project hotline number on **1800 517 341**

See map over page.

**A greater number of car parks will be provided as part of the overall re-development project.*
