ROPER AND WILTON RIVER CROSSINGS -
ROPER HIGHWAY
CONSTRUCTION STARTS

A $40M project to build two new bridges on the Roper and Wilton Rivers, Roper Highway will soon be underway. This project is jointly funded by the Australian Government through the Regional Roads Productivity Package – Infrastructure Investment Programme 2014/15 – 2018/19 and the Northern Territory Government.

From **Monday 18 April**, construction works will start with speed restrictions in place throughout the project.

The Roper Highway and local roads will remain open during works. When finished, the current Roper Bar crossing, boat ramp and Roper Bar Store will remain accessible from the existing southern approach road.
