

Little Mindil Beach

Footpath Erosion Remediation

Dear stakeholder

The Department of Infrastructure, Planning and Logistics will be undertaking remediation works to an eroded footpath on Little Mindil Beach.

These works will provide a long-term solution to restore the footpath and wall and improve pedestrian safety.

Works will commence Tuesday 27 October 2020 and are expected to be complete by late-February 2021.

Works hours will generally be between 7am and 6pm.

There may be an increase in noise and heavy vehicle movements within the area during this time. All efforts will be made to minimise disruption where possible.

Please adhere to all signage and safety measures in place.

For more information, contact Department of Infrastructure, Planning and Logistics Project Officer, Ken Gardner on phone 8999 6597 or email ken.gardner@nt.gov.au.
