DEAR STAKEHOLDER

GARRAMILLA BOULEVARD AND TIGER BRENNAN DRIVE STAGE 3 - CLOSURE OF FRANCES BAY UNSEALED INFORMAL PARKING AND FOOTPATH

Construction of Darwin CBD's iconic third entry point Garramilla Boulevard is progressing well, with work on the duplication of Tiger Brennan Drive expected to commence in early March 2019.

A retaining wall will be constructed between Tiger Brennan Drive and Frances Bay Drive.

This will impact the Frances Bay Drive unsealed area currently used for informal parking and the footpath from the car park to McMinn Street from the week commencing 11 March 2019.

A detoured footpath will be provided to cyclists and pedestrians.

Frances Bay Drive will remain open to all traffic.

The footpath will reopen once the duplication of Tiger Brennan Drive is completed in late 2019.
