

Cox Peninsula Road and Darwin River Road Intersection upgrade

Dear Stakeholder

The Department of Infrastructure, Planning and Logistics is upgrading the Cox Peninsula Road and Darwin River Road intersection.

The upgrade will involve the widening of Cox Peninsula Road to accommodate a right turning lane onto Darwin River Road.

The upgrade will enhance safety and improve the flow of traffic.

Works for the upgrade will commence in September 2021 and work will be undertaken between 6am and 6pm Monday to Saturday, and 8am to 6pm on Sundays.

Access will be maintained at all times and traffic management will be in place to direct the flow of traffic.

The work is anticipated to be complete by the end of November 2021.

Motorists, residents and business owners are asked to like and follow RoadReportNT on Facebook for up to date information as work progresses.

For more information, please contact Department of Infrastructure, Planning and Logistics Project Manager Tim Burgess, on 08 8999 4609 or email tim.burgess@nt.gov.au
