

Chung Wah Terrace and Emery Avenue roundabout

Footpath closure

Dear Stakeholder

The Department of Infrastructure, Planning and Logistics (DIPL) is conducting works for the construction of a new roundabout at the intersection of Chung Wah Terrace and Emery Avenue, Palmerston.

As part of the works, a partial footpath closure will occur to allow for the demolition of the footpath for the installation of underground services. Once complete, a new footpath will be built in its place.

The footpath from Emery Avenue leading on to Chung Wah Terrace, heading towards the city centre will be closed for 2 weeks from 15 July.

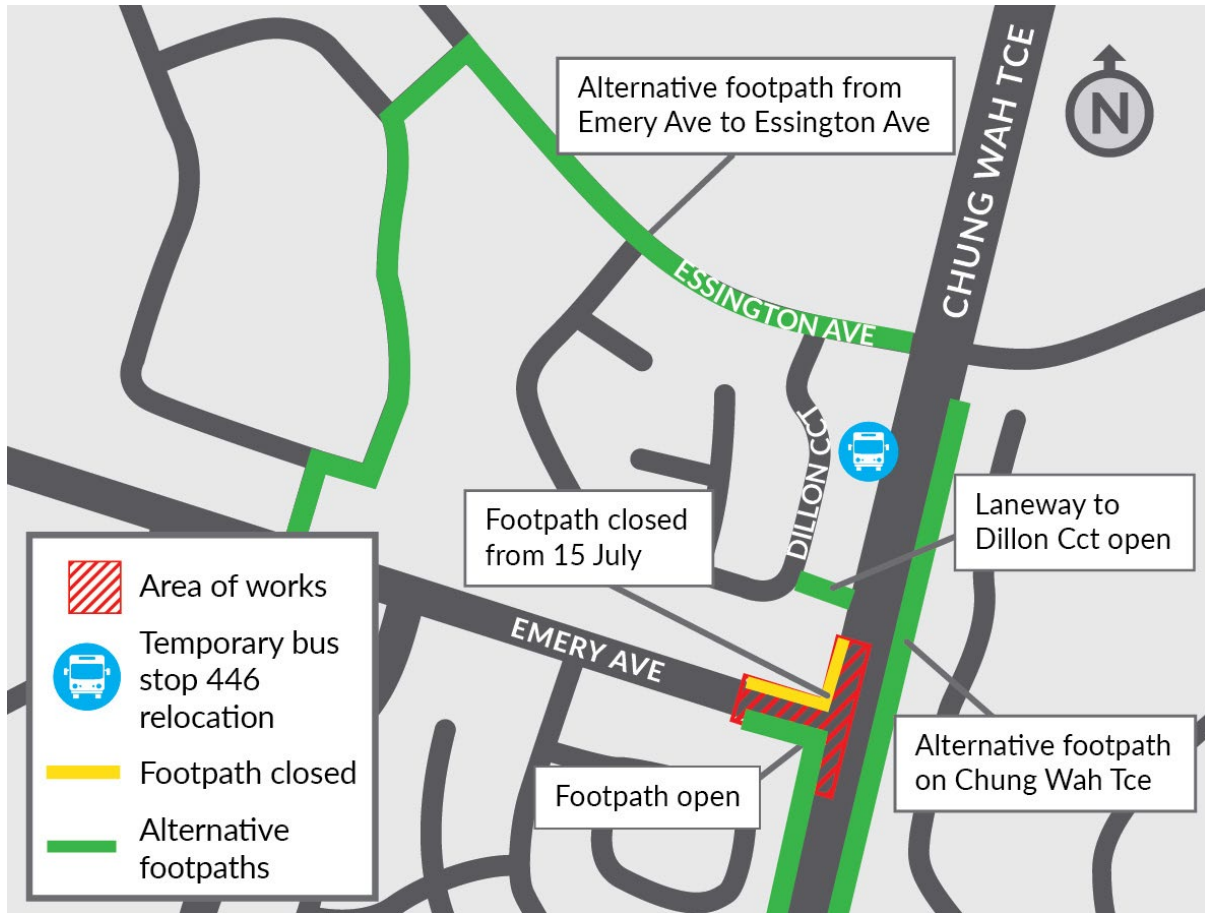

Alternative routes remain open for pedestrians to access the area.

Pedestrians are reminded to take caution during these works and comply with all signage in place.

For further information about the project, visit dipl.nt.gov.au/projects.

Contact

To find out more, contact DIPL Project Manager Josefa Tchong on mobile 0409 706 620 or email josefa.tchong@nt.gov.au.
