

TIGER BRENNAN DRIVE WOOLNER ROAD / STODDART DRIVE CHANGED TRAFFIC CONDITIONS

The duplication of Tiger Brennan Drive is jointly funded by the Australian and Northern Territory governments and is nearing completion.

As part of this project there will be a significant upgrade to the intersection of Tiger Brennan Drive, Woolner Road and Stoddart Drive, Bayview.

The intersection will be widened and its capacity increased, with a left hand turning lane for city bound traffic installed.

Preparatory works will begin at the intersection from **Monday 30 May 2016**.

The intersection will remain fully functional during these works, which are expected to continue for one week.

Motorists are asked to proceed with caution, observe traffic control and drive to ensure the safety of workers in the area and all road users.

For more information, please contact the Communication and Community Engagement Team on 1800 820 455 or email tiger.brennan@nt.gov.au
