MARCH 2019

DEAR STAKEHOLDER

## GARRAMILLA BOULEVARD AND TIGER BRENNAN DRIVE STAGE 3 – TIGER BRENNAN DRIVE NIGHT WORKS

Construction of Darwin CBD’s iconic third entry point Garramilla Boulevard is progressing well, with work commencing on the duplication of Tiger Brennan Drive in mid March 2019.

Deep lift asphalt works to the new connection between Tiger Brennan Drive and Garramilla Boulevard, will commence mid March and progress for a period of three weeks (weather dependent).

To reduce disruptions and avoid work during peak traffic times, construction will be carried out at night between 7pm to 6am.

During this period Tiger Brennan Drive from the Dinah Beach Road intersection to the McMinn Street intersection will be closed to all inbound and outbound traffic between the hours 7pm to 6am.

A detour will be in place along Dinah Beach Road.

A 40kph speed restriction through the works area will be in place during the day.

Motorists are advised to allow additional travel time and to follow detour signs.
