

## Darwin Urban Asphalt Program

### Stuart Highway night works between Amy Johnson Avenue and Hook Road – Outbound lanes

Dear Stakeholder

The Department of Infrastructure, Planning and Logistics is re-asphalting the Stuart Highway between Amy Johnson Avenue and Hook Road.

To reduce disruption for road users, works will occur at night between 8pm and 6am the following day. No works will occur on Friday nights.

Night works will take place to the outbound lanes from:

- 8pm to 6am – Saturday 20 November to Thursday 25 November 2021

During the works, the road will be closed to general traffic and detours will be in place.

Access to Farrell Crescent will be maintained and residents in the area will be required to approach the traffic controller at the access points on the Stuart Highway.

The road will reopen during the day with traffic management in place to ensure a safe traffic environment for road users.

Motorists are asked to adhere to all signage in the area.

Should you wish to discuss the asphalt resurfacing project, please contact Department of Infrastructure, Planning and Logistics Senior Project Manager Andrew Batson on **08 8999 4873** or email [Andrew.batson@nt.gov.au](mailto:Andrew.batson@nt.gov.au)
