Stuart Highway and Tulagi Road
Night works

The Department of Infrastructure, Planning and Logistics is conducting night works to lay asphalt on the Stuart Highway inbound lanes at the Tulagi Road intersection and on Tulagi Road between Pierssene Road and Wallaby Holtze Road.

Night works will take place at the following times (weather permitting):

- Thursday 5 March from 8pm to 5am Friday 6 March
- Friday 6 March from 8pm to 5am Saturday 7 March
- Reserve Nights in case of inclement weather:
  - Tuesday 10 March 8pm to 5am Wednesday 11 March

Tulagi Road and Stuart Highway intersection will be fully operational catering for all vehicle turning and through lane movements.

Motorists are advised to adhere to all traffic management in place which will include speed reductions, temporary lane closures, manual traffic control personnel to guide traffic through the site and detours where required.

Traffic will be slowed to 40 km/hr during the works.

Please refer to the attached maps showing work areas.

For further information please call 1800 560 308 or email Tulagi.upgrades@nt.gov.au
