

# 2021 Alice Springs Urban Asphalt Program

Dear stakeholder,

Delivery of the 2021 Alice Springs Urban Asphalt Program will commence April 2021.

The Northern Territory Government will be undertaking asphalt repair work at six locations, which will be completed progressively.

Motorists are advised to take care where works are being performed and to use alternate routes where possible.

Works will be completed in the following areas:

## **Section 1 – Stuart Highway from Wills Terrace to Herbert Heritage Drive**

- Work anticipated to take place over 15 nights.
- A full road closure will be in place.

## **Section 2 – Larapinta Drive from Stuart Highway to Memorial Avenue**

- Work anticipated to take place over 13 nights.
- Partial and full road closures will be in place.

## **Section 3 – Stott Terrace from Todd River Bridge to Sadadeen Road**

- Work anticipated to take place over 2 nights.
- A full road closure will be in place.

## **Section 4 – Stott Terrace from Stuart Highway to Bath Street**

- Work anticipated to take place over 1 night.
- A full road closure will be in place.

## **Section 5 – Stuart Highway Tom Brown Roundabout - Northbound Lanes**

- Work anticipated to take place over 1 night.
- Partial road closure will be in place.

## **Section 6 – Stuart Highway and Karnte Road Intersection**

- Work anticipated to take place over 5 nights.
- Partial road closure will be in place.

To reduce disruptions to road users, residents and businesses, works will generally take place between 8pm and 6am.

The roads will reopen to traffic during the day.

## Fact Sheet

Residents and business owners are advised that access to their properties will be maintained and there may be an increase of noise in the area.

This project is anticipated to be completed by June 2021.

Traffic management, reduced speed limits and detours will be in place until works are completed and motorists are asked to adhere to all signage in the area.
