

Litchfield Park Road Upgrades

Dear stakeholder,

The Northern Territory Government and Australian Government are widening a section of Litchfield Park Road between Batchelor and the Buley/Florence turnoff to improve road safety.

Works will commence on 19 April 2021 and are expected to be completed by mid-June 2021.

Litchfield Park will remain accessible throughout the works, with speed restrictions and lane closures in place.

Road users and motorists are asked to adhere to all traffic management in the area.
