

DEPARTMENT OF INFRASTRUCTURE

PALMERSTON ROAD UPGRADES - ROYSTONEA AVENUE THIRD LANE VEGETATION CLEARING

On **Wednesday 27 and Thursday 28 April between 7pm and 5am** vegetation clearing will take place on Roystonea Avenue from the Tiger Brennan Drive overpass Palmerston to the Temple Terrace intersection.

Vegetation clearing is required to allow for works associated with construction of the third lane to take place. Landscaping will occur after roadworks are complete.

To minimise disruption to day time traffic, removal of vegetation will occur at night, outside of peak hours of travel. Motorists can expect temporary lane closures and speed restrictions in the vicinity of works.
