DEVELOPMENT CONSENT AUTHORITY

KATHERINE DIVISION

MINUTES

MEETING No. 144 – WEDNESDAY 3 FEBRUARY 2016

TRAINING ROOM
1ST FLOOR GOVERNMENT CENTRE
5 FIRST STREET
KATHERINE

MEMBERS PRESENT: Denis Burke (Chairman, via phone), Craig Lambert, Allan Domaschenz, Steven Rose and Fay Miller

APOLOGIES: Nil

OFFICERS PRESENT: Steven Kubasiewicz (via phone) and Julie Bennett (Development Assessment Services)

COUNCIL REPRESENTATIVE: Robert Jennings (CEO – Katherine Council)

Meeting opened at 10.30 am and closed at 10.40 am
ITEM 1  6 X 1 BEDROOM MULTIPLE DWELLINGS IN FOUR SINGLE STOREY BUILDINGS
PA2015/837  LOT 2155 (90) ACACIA DRIVE, TOWN OF KATHERINE
APPLICANT  HAMES SHARLEY

Mr Desmond Robertson (Hames Sharley) attended.

RESOLVED  That, the Development Consent Authority vary the requirements of Clause 6.5.1
16/16 (Parking Requirements) of the NT Planning Scheme and pursuant to section 53(a) of
the Planning Act, consent to the application to develop Lot 2155 (90) Acacia Drive,
Town of Katherine for the purpose of 6 x 1 bedroom multiple dwellings in four single
storey buildings subject to the conditions:

CONDITIONS PRECEDENT

1. Prior to the commencement of works, an Erosion and Sediment Control Plan
(ESCP), is to be submitted to and approved by the consent authority on the
advice of the Department of Land Resource Management, and an endorsed
copy of the Plan will form part of this permit. The plan should detail methods
and treatments for minimising erosion and sediment loss from the site during
both the construction and operational phases. The IECA Best Practice Erosion
and Sediment Control Guidelines 2008 may be referenced as a guide to the
type of information, detail and data that should be included in an ESCP.
Information regarding erosion and sediment control and ESCP content is
available at www.austieca.com.au and the DLRM website:

GENERAL CONDITIONS

2. The works carried out under this permit shall be in accordance with the
drawings numbered 2015/0837/01 to 2015/0837/10 endorsed as forming part
of this permit.

3. All works relating to this permit are to be undertaken in accordance with the
endorsed ESCP to the requirements of the consent authority, upon the advice
of the Department of Land Resource Management.

4. The owner of the land must enter into agreements with the relevant authorities
for the provision of water supply, sewerage facilities, and electricity and
telecommunication services to the land shown on the endorsed plan in
accordance with the authorities' requirements and relevant legislation at the
time.

5. Any developments on or adjacent to any easements on site shall be carried out
to the requirements of the relevant service authority to the satisfaction of the
consent authority.
6. The kerb crossovers and driveways to the site approved by this permit are to meet the technical standards of Katherine Town Council, to the satisfaction of the consent authority.

7. The owner shall:
   (a) remove disused vehicle and/or pedestrian crossovers;
   (b) provide footpaths/cycleways;
   (c) collect stormwater and discharge it to the drainage network; and
   (d) undertake reinstatement works (including replacing any tree(s) removed as a result of the construction of driveway);
all to the technical requirements of and at no cost to the Katherine Town Council to the satisfaction of the consent authority.

8. Before the use/occupation of the development starts, the landscaping works shown on the endorsed plans must be carried out and completed to the satisfaction of the consent authority.

9. The landscaping shown on the endorsed plans must be maintained to the satisfaction of the consent authority, including that any dead, diseased or damaged plants are to be replaced.

10. No fence, hedge, tree or other obstruction exceeding a height of 0.6m is to be planted or erected so that it would obscure sight lines at the junction of the driveway and the public street.

11. Soil erosion and dust control measures must be employed throughout the construction stage of the development to the satisfaction of the consent authority.

12. All air conditioning condensers are to be appropriately screened from public view, located so as to minimise thermal and acoustic impacts on neighbouring properties and condensate disposed of to ground level in a controlled manner to the satisfaction of the consent authority.

13. Storage and collection of waste disposal bins is to be provided to the requirements of the Katherine Town Council to the satisfaction of the consent authority.

NOTES:

1. This permit will expire if one of the following circumstances applies:
   (a) the development and use is not started within two years of the date of this permit; or
   (b) the development is not completed within four years of the date of this permit.
   The consent authority may extend the periods referred to if a request is made in writing before the permit expires.

2. The Power and Water Corporation advises that the Water and Sewer Services Development Section (landdevelopmentnorth@powerwater.com.au) and Power Network Engineering Section (powerconnections@powerwater.com.au) should be contacted via email a minimum of 1 month prior to construction.

These minutes record persons in attendance at the meeting and the resolutions of the Development Consent Authority on applications before it.
Reliance on these minutes should be limited to exclude uses of an evidentiary nature.

Page 3 of 5
works commencing to determine the Corporation’s servicing requirements, and the need for upgrading of on-site and/or surrounding infrastructure.

3. The Environment Protection Agency of the Department of Lands, Planning and the Environment advises that construction work should be conducted in accordance with the Agency’s Noise Guidelines for Development Sites. The guidelines specify that on-site construction activities are restricted to between 7am and 7pm Monday to Saturday and 9am to 6pm Sunday and Public Holidays. For construction activities outside these hours refer to the guidelines for further information.

4. A “Permit to Work Within a Road Reserve” is required from Katherine Town Council before commencement of any work within the road reserve.

5. Any proposed works which fall within the scope of the Construction Industry Long Service Leave and Benefits Act must be notified to NT Build by lodgement of the required Project Notification Form. Payment of any levy must be made prior to the commencement of any construction activity. NT Build should be contacted via email (info@ntbuild.com.au) or by phone on 08 89364070 to determine if the proposed works are subject to the Act.

6. The site is on Acacia Drive, a school bus route, and needs to be kept clear of vehicles/trailers and construction equipment at all times. All deliveries are to be made on the site.

**REASONS FOR THE DECISION**

1. Pursuant to section 51(a) of the *Planning Act*, the consent authority must take into consideration the planning scheme that applies to the land to which the application relates.

   The proposed development is generally consistent with the requirements of the NT Planning Scheme and the primary purpose of Zone MD (Multiple Dwelling Residential).

   A variation to Clause 6.5.1 (Vehicle Parking) is supported in this instance as the development is limited to one bedroom per dwelling and that adequate provision is made for tandem parking to each dwelling.

2. Pursuant to section 51(j) of the *Planning Act*, the consent authority must take into consideration the capability of the land to which the proposed development relates to support the proposed development and the effect of the development on the land and on other land, the physical characteristics of which may be affected by the development.
The land has previously been identified for residential purposes and identified as Zone MD. Reticulated power, water and sewerage services are available to service the development and the land is considered capable of supporting the proposed use.

ACTION: Notice of Consent and Development Permit

RATIFIED AS A RECORD OF ATTENDANCE AND DETERMINATIONS MADE AT THE MEETING

DENIS BURKE
Chairman
