RESOLVED
74/11

That, pursuant to section 53(a) of the Planning Act, the Development Consent Authority consent to the application to develop Lot 10210 (19) Annunciata Street, Bellamack, Town of Palmerston for the purpose of 3 x 3 bedroom multiple dwellings in a 2 storey building, subject to the following conditions:

GENERAL CONDITIONS

1. Works carried out under this permit shall be in accordance with drawings numbered 2011/0369/1 to 2011/0369/7 inclusive, endorsed as forming part of this permit.

2. Any developments on or adjacent to any easements on site shall be carried out to the requirements of the relevant service authority, to the satisfaction of the consent authority.

3. The owner of the land must enter into agreements with the relevant authorities for the provision of water supply, sewerage facilities and electricity services to the land shown on the endorsed plan in accordance with the authorities' requirements and relevant legislation at the time.

4. Stormwater is to be collected and discharged into the drainage network to the technical standards of and at no cost to City of Palmerston to the satisfaction of the consent authority.

5. All balconies are to be internally drained and discharge is to be disposed of at ground level and in a manner consistent with stormwater disposal arrangements for the site to the satisfaction of the consent authority.

6. The kerb crossovers and driveways to the site approved by this permit are to meet the technical standards of City of Palmerston, to the satisfaction of the consent authority.
7. The owner shall:

(a) remove disused vehicle and/or pedestrian crossovers;
(b) provide footpaths/cycleways;
(c) undertake reinstatement works;

All to the technical requirements of and at no cost to the City of Palmerston, to the satisfaction of the consent authority.

8. Before the use or occupation of the development starts, the areas set aside for the parking of vehicles and access lanes as shown on the endorsed plans must be:

(a) constructed;
(b) properly formed to such levels that they can be used in accordance with the plans;
(c) surfaced with an all-weather-seal coat;
(d) drained;
(e) line marked to indicate each car space and all access lanes; and
(f) clearly marked to show the direction of traffic along access lanes and driveways;

Car spaces and driveways must be kept available for these purposes at all times.

9. Before the use/occupation of the development starts, the landscaping works shown on the endorsed plans must be carried out and completed to the satisfaction of the consent authority.

10. Design and specification for landscaping of the road verges adjacent to the property shall be submitted for approval by the Director of Technical Services, City of Palmerston, and all approved works constructed to Council’s requirement at the applicant’s expense to the satisfaction of the consent authority.

11. The landscaping shown on the endorsed plans must be maintained to the satisfaction of the consent authority, including that any dead, diseased or damaged plants are to be replaced.

12. No fence, hedge, tree or other obstruction exceeding a height of 0.6 m is to be planted or erected so that it would obscure sight lines at the junction of the driveway and the public street.

13. Soil erosion control measures must be employed throughout the construction stage of the development to the satisfaction of the consent authority.

14. All air conditioning condensers are to be appropriately screened from public view, located so as to minimise thermal and acoustic impacts on neighbouring properties and condensate disposed of to ground level in a controlled manner to the satisfaction of the consent authority.

15. Storage for waste disposal bins is to be provided to the requirements of City of Palmerston to the satisfaction of the consent authority.
NOTES:

1. This permit will expire if one of the following circumstances applies:
   (a) the use is not started within two years of the date of this permit; or
   (b) the development is not completed within four years of the date of this permit.

   The consent authority may extend the periods referred to if a request is made in writing before the permit expires.

2. The Power and Water Corporation advises that the Water and Sewer Services Development Section (landdevelopmentnorth@powerwater.com.au) and Power Network Engineering Section (powerconnections@powerwater.com.au) should be contacted via email a minimum of 1 month prior to construction works commencing to determine the Corporation's servicing requirements, and the need for upgrading of on-site and/or surrounding infrastructure.

REASON FOR THE DECISION

1. Pursuant to Section 51(a) of the Planning Act, the consent authority must take into consideration the planning scheme that applies to the land to which the application relates.

   The proposed development is consistent with the primary purpose of Zone MD (Multiple Dwelling Residential) of the NT Planning Scheme in providing for a range of housing options. Furthermore, the development fully complies with the relevant provisions of the Northern Territory Planning Scheme.
